

Director's Note

Hi everyone, my name is Ailbhe O'Connor and I am your convention director for 2023.

Akumakon 2023 is the first Akumakon since January 2020, and as such, a huge issue we have faced is that the vast majority of the people who knew how to run Akumakon have graduated.

There are currently 38 people on this committee and all but 4 of them have never done this before. I may be biased but I think they have done a bang-up job considering pretty much all of them are new to this.

Akumakon 2023 has been in the works since March 2022. We have put an awful lot of work into this collectively and we really hope you enjoy the weekend.

However, I am aware that this will be a lot of people's first convention. And for even more people it will be their first big event post-covid. We ask that you please be respectful of people's boundaries, always ask before taking any pictures of anyone and cosplay is not consent. We'll be encouraging everyone to wear a mask if you can and we'll have masks at our front desk to give-out as per recommendations from the Nurses and Midwives Union.

Other than that... be sound, be safe and respect each other.

Thank you,

Ailbhe O'Connor (They/Them) Akumakon Convention Director

Who are you and how did you get here? (A Guide to Akumakon 2023)

Come one come all to Akumakon 2023, there's nothing ominous about that contract you signed in your sleep last night. This is the con-book, your one-stop guide to the convention. We have a great selection of food, art and anime merch, as well as events, panels and screenings, so there's something for everyone! This is our 11th year of the convention.

Our mascot, Uisín, is a mash-up of the Japanese word for cow and the Irish name Oisín. Our little cow demon is quite cute!

Alternatively, the artist says they were kidnapped from a home planet of cow people, so you get to decide which backstory you prefer.

Our Charity, Amach! LGBT

Our charity this year for Akumakon is Amach! LGBT. Amach LGBT! is an organisation that aims to provide awareness, educational and training events and workshops and endeavour to support and promote a socially inclusive society.

The Akumakon committee is incredibly proud to be supporting Amach! LGBT this year. Most of our committee are some form of queer and we have all seen the amazing work that Amach! LGBT does. We have done everything we could to make this convention as inclusive as possible because we want it to reflect how our committee feels about LGBTI+ issues.

Your support means the world and if, throughout the weekend you buy a t-shirt, attend the pub quiz, bid in the charity auction, use the cloak room, compete in any of the video-game tournaments or even just donate directly... 100% of the money you donate is going to our charity.

Thank you, The Akumakon Team
